RE: Application for 903 Lip Area Excavation

Dear Mr. Nininger:

The Colorado Air Pollution Control Division has received and logged in your construction permit application for the above referenced source. This source has been assigned permit number 03JE1099.

If you should have any questions concerning the status of your application, please call me at (303)-692-3168. When calling it would be helpful if you can reference the permit number listed above.

The next step in processing your application is to determine if all the information we need is contained in your application. If so, we will begin our preliminary engineering analysis. If information is missing, I will contact you in the near future to obtain the needed material.

State law requires that the Division determine the completeness of an application within 60 days of receipt. If you do not hear from the Division by January 20, 2004, you can assume that your application is complete.

Sincerely,

R K Hancock III  
Public Health Engineer  
Stationary Sources Program  
Air Pollution Control Division
