[WBS 710 PROJECT MANAGEMENT - HALLIBURTON NUS ROCKY FLATS]
Dosimeters and lockers for Halliburton NUS efforts in 1993.
RF-HED-92-0911

Dear Mr. Roberts:

Item I: To confirm conversations with Kay Sluyter last Friday, Halliburton NUS will retain for maintenance and continued engineering activities all five (5) of the lockers presently assigned to us at the 904 men's locker trailer. These lockers are numbered: 7, 13, 26, 31 and 32.

All other lockers that were assigned to Halliburton NUS and Subcontract personnel during 1992 are hereby released back to you. These lockers are numbered 1 thru 10, 27 and 28 at T771G and 7, 11, 12, 16, 18 and 31 at T750G. All of these lockers have been emptied and cleaned.

Item II: To confirm conversations with Steve DeWitt on 12/18/92, it is Halliburton NUS's intention to retain dosimeters and PA access justification for the following employees only:

- | | |
|--------------|----------------|
| John Schmidt | Jack Templeton |
| Brad Allen | Brian Sheets |
| Stan Gantt | Ken Howell |
| Elmer Dover | James Keenan |
| Ron Hill | |

At this time, the above people are the only employees who will need access to the PA in 1993.

Please let me know if you have questions about this letter or if I can be of additional service to you.

Sincerely,

HALLIBURTON NUS ENVIRONMENTAL CORPORATION
