

This page is to be posted at a prominent location onsite.

Required Emergency Back-Up Equipment

Latex or nitrile surgeon gloves.

Emergency Response Authority:

Harold Sanchez, Ron Blea, Rebecca Mitchell is the designated site emergency coordinator and has final authority for first response to onsite emergency situations for the individual characterization programs they will be working on.

Upon arrival of the appropriate emergency response personnel, the site emergency coordinator will defer all authority but remain on the scene, if necessary, to provide any and all possible assistance. At the earliest opportunity, the site safety officer or the site emergency coordinator will contact the project coordinator or health and safety officer.
