**TRANSMITTAL OF ANNUAL LANDFILL GROUNDWATER MONITORING REPORT
ADR-100-98**

Enclosed are four (4) copies of the recently revised Groundwater Monitoring Reports for the present Sanitary Landfill. This report should be submitted as the final report to the Colorado Department of Public Health and Environment (CDPHE) Solid Waste Division. Based on our last assessment, CDPHE's Solid Waste Division continues to be satisfied with our program for monitoring groundwater and its application of the regulations which can be applied to the present landfill site. The Groundwater and Landfill Operations Groups will work to complete the next final report, July 1999. Please ensure that the appropriate number of copies are transmitted to CDPHE at the address referenced below.
