**CERTIFICATION OF THE OPERABLE UNIT (OU) 15 ADMINISTRATIVE RECORD –
DLS-015-95**

The (PDG:WNF:14110) letter from Jessie Roberson of the Department of Energy/Rocky Flats Field Office (DOE/RFFO) to Tim Hedahl of Kaiser-Hill, L.L.C. requests certification of the OU 15 administrative record by September 11, 1995. As discussed during our meeting of September 6, 1995, this is not possible until regulatory agency comments on the Corrective Action Decision/Record of Decision (CAD/ROD) have been received and the revised CAD/ROD is transmitted by DOE/RFFO to the regulatory agencies for signature. Certification can be provided the week of September 18, 1995 assuming that agency comments on the OU 15 Final CAD/ROD do not require significant changes and DOE/RFFO transmits the CAD/ROD prior to certification.
