RE: Modification of the Facility Component Removal, Size Reduction, and  
Decontamination Activities RSOP (Component RSOP) - Approval

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division (CDPHE) has received your August 15, 2002 letter, notifying us of minor modifications to sections 3.1 and 3.5 of the Component RSOP. In your letter it is indicated these changes are provided to clarify the use of surface contaminated object criteria, as well as incorporating our (CDPHE) recent determination that certain leaded glass (Los Alamos windows) do not render a removed glovebox a hazardous waste.

We appreciate your providing us with these specific changes to the Component RSOP. Although we have previously discussed these issues and may not need to provide formal agreement on these specific changes, we are hereby providing our approval of these modifications to the Component RSOP.

If you have any questions regarding this correspondence please contact me at (303) 692-3367, James Hindman at (303) 692-3345, or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson  
RFCA Project Coordinator
