Although your cover letter accompanying this RLCR identified T991B and T989F as included in this RLCR, it is believed the appropriate facilities are T891E and T891F.

These facilities are identified as Type 1 Facilities, however, it is recognized that some of them may have been, or currently are, still in use and that it may be necessary to perform additional investigations after use and prior to demolition or sale. The consultative process should be utilized to acquire and provide the additional information prior to final disposition of these facilities.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.
