ROCKY FLATS CLEANUP AGREEMENT (RFCA) STANDARD OPERATING PROTOCOL (RSOP) FOR FACILITY DISPOSITION - NOTIFICATION LETTER FOR BUILDING 991 AND PRE-DEMOLITION SURVEY REPORT (PDSR) FOR FACILITY 991 - FEG-004-04

Attached is a RSOP notification for Building 991 facility disposition, required to be submitted by DOE to the Colorado Department of Public Health and Environment (CDPHE), prior to implementing the activities pursuant to this document. The Rocky Flats Environmental Technology Site (RFETS) received concurrence from CDPHE that the 991 facility was a Type 2 facility (March 21, 2003).

The purpose of this notification is to invoke this RSOP for demolition of the facility; based on the Pre-Demolition Survey Report (PDSR), which is also included in this submittal. The PDSR shows the facility meets the free-release criteria.

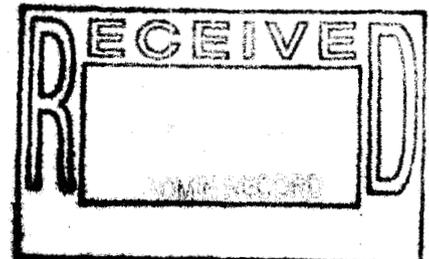

Please contact Steve Nesta X6386 with questions or concerns.
