RE: Original Landfill Design (May 2005)

Dear Mr. Legare:

Comments from the Colorado Department of Public Health and Environment, and the Environmental Protection Agency on the Design for the Original Landfill have been adequately addressed. Final copies of the Design Analysis, Appendices and Drawings, signed and sealed by the engineer of record, were delivered yesterday. The Final Design is considered sufficient to meet the remedial action objectives outlined in the IM/IRA and is therefore approved.

If you have any questions please contact me at 303-692-3367 or Carl Spreng at 303-692-3358.

Sincerely,

Steven H. Gunderson
