RE: Reconnaissance Level Characterization Report (RLCR) and Pre-Demolition Survey Report (PDSR) for Tent 4 - Concurrence

Dear Mr. Rampe:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the RLCR/PDSR for Tent 4; Revision 0 dated June 21, 2005. We received a copy of your June 29, 2005 letter on June 30, 2005. Based on the information contained in the RLCR/PDSR, and revisions made, we are hereby concurring with the determination that Tent 4 is a Type 1 Facility, allowing for the appropriate demolition of Tent 4.

As indicated in this RLCR/PDSR we expect the asphalt floor, which is stated to be the secondary containment for the RCRA Unit, will be properly remediated immediately after demolition and removal of the tent, and not allowed to remain without appropriate environmental controls. This and any other issue that may arise during demolition should be discussed and resolved utilizing the consultative process.

If you have any questions regarding this correspondence please contact me at (303) 692-3367, David Kruchek at (303) 692-3328, or Harlen Ainscough at (303) 692-3337.

Sincerely,

Steven H. Gunderson  
RFCA Project Coordinator
