Mr. John Rampe
Director, Project Management Division
US Department of Energy
Rocky Flats Project Office (RFPO)
12101 Airway Way, Unit A
Broomfield, Colorado 80021-2583

Dear Mr. Rampe:

The Environmental Protection Agency and the Colorado Department of Public Health and Environment have reviewed the Department of Energy's request to reduce the reporting requirements under RFCA. We concur with the disposition of major document and reporting requirements in the list you provided, which allows the elimination of several reports. This minor modification to RFCA is therefore approved.

Please refer any questions to the undersigned.

Sincerely,
