Facility Descriptor:	Office Trailer, 600 square feet
Project:	RISS - Area 3 D&D
Date of Demolition:	January 17, 2003
Additional Information:	Sold through PU&D. Electrical power feeders were removed to the nearest utility pole per site configuration control procedures. Fire water was isolated and capped at a point 3 feet below grade. A map of utility disconnect locations will be maintained and submitted to the AR on project completion. No other utilities serviced the trailer. Environmental Restoration will perform removal of surface pads and walkways (concrete and asphalt).
