INTERIM REMEDIAL ACTION PLAN FOR 881 HILLSIDE AREA

Enclosed are two (2) copies of the Interim Remedial Action Plan for the 881 Hillside Area. The Plan addresses comments made by EPA and CDH in their letter dated September 6, 1989. Appendix I of the Plan contains results of organic and inorganic ground water monitoring data. In addition, we are providing copies of all ground water data validated to date. (VOC's - 1988, 1989) were also provided to EPA and CDH as requested in their September 6, 1989 letter.

As directed, copies were delivered to EPA and CDH on September 15, 1989 in accordance with the schedule outlined in my letter to E. S. Goldberg dated September 11, 1989.
