Dear Mr Hestmark.

This letter is in response to your February 22 1993 letter (Ref 8HWM FF) regarding the Operable Unit No 1 (OUI) Wetlands Mitigation. Your letter requested that soil amendment effort and installation of the vertical riser be completed by March 15 1993. These tasks will not be completed by the date requested. Department of Energy (DOE) is expediting these tasks and estimates they will be completed by April 1 1993.

With regard to your request on submittal of engineering drawing that show plan view and cross sections of the proposed wetland as well as vegetation type and planting density DOE would like to schedule a meeting with your staff to determine exactly what is required and to resolve the technical disagreements on re vegetation of wetland. At this meeting the monitoring plan for the wetland could also be discussed.

If you have any questions please contact Paul Singh at 966-4651

Sincerely

James K. Hartman

and Environmental Restoration
