# INTEROFFICE CORRESPONDENCE

DATE July 27, 1993

TO Distribution

FROM K D Anderson, Facility Operations Management, Bldg 080, X6979

SUBJECT SITE SPECIFIC HEALTH AND SAFETY PLAN (SSHSP) - KDA-063-93

Enclosed is a copy of Appendix B, Final Project-Specific Health and Safety Plan for Soil Vapor Extraction Subsurface Interim Measures/Interim Remedial Action, East Trenches Area, Operable Unit 2. This plan is a rewrite of Appendix B, Final Project-Specific Health and Safety Plan for In Situ Volatilization Subsurface Interim Measures/Interim Remedial Action East Trenches Area, Operable Unit 2, which underwent extensive review. The In Situ SSHSP was previously developed with the intention of being utilized for the Soil Vapor Extraction Project. Please review this plan and provide comments on the enclosed Document Review Sheet. Due to scheduling requirements, comments are requested to be returned to me by July 30, 1993. You may fax your comments to extension 8538 and send the originals through the mail.

If the subject plan meets all the technical requirements which are managed by your respective division, please sign the approval form and return to me by July 30, 1993. Again, you may fax the approval form to extension 8538 and send the originals through the mail.

If you have any questions or concerns, please contact me at the above extension. Your cooperation in expediting this matter is greatly appreciated.
