Mr. Ron Hellbusch
City of Westminster
4800 West 92nd Avenue
Westminster, CO 80030

Dear Mr. Hellbusch;

Enclosed are copies of a response letter and comments the Department of Energy/Rocky Flats Office (DOE/RFO) received from the U.S. Fish and Wildlife Service (FWS) on the draft outline for the Standley Lake Protection Project Biological Assessment (BA). We believe the comments received from the Service will aid us in thoroughly addressing the issues to be covered in the BA. Following the comments from the FWS are added comments from DOE/RFO in parentheses on our interpretation of some of these comments.

These comments were faxed to your staff and consultants on November 3, 1993. If you have any questions concerning these comments, please contact Gail Hill at 966-3424.

Sincerely,
Martin McBride (for)
