95-RM-ER-0113-KH

Discussion and/or Comments:

The enclosed comment responses are provided to respond to the Colorado Department of Public Health and Environment (CDPHE) comments dated September 1, 1995 regarding the CDPHE Conservative Risk Screen for Operable Unit 3. The September 1, 1995 comments are for responses previously submitted on June 23, 1995.

It is anticipated that the enclosed comment responses will satisfy CDPHE's request for additional information and that document approval will be forthcoming. Rocky Mountain Remediation Services, L.L.C. recommends that these comment responses be transmitted to the Department of Energy/Rocky Flats Field Office (DOE/RFFO) for subsequent submittal to CDPHE. The enclosed draft letter is suggested text for the transmittal to DOE/RFFO.
