Dear Ms Chaki and Mr Rehder

Enclosed for your review is the draft Corrective Action Decision/Record of Decision (CAD/ROD) for Operable Unit 3 (OU 3), The Offsite Areas. Two copies have been enclosed for each of your Agencies' review.

As you are aware, submittal of the final CAD/ROD for agency signature will be an enforceable milestone under the Rocky Flats Cleanup Agreement for this year, the milestone date is April 15, 1997. We would therefore, appreciate your comments on the enclosed CAD/ROD no later than March 7, 1997, to support this milestone date. We would also like to meet with you and your staffs at that time to discuss and resolve any comments you may have.

Thank you for your assistance in this matter. If you have any questions or comments regarding the OU 3 CAD/ROD, please call John Rampe of the Rocky Flats Field Office at 966-6246.

Sincerely,

A handwritten signature in cursive script that reads "Gail S. Hill".
