

# INTEROFFICE CORRESPONDENCE

DATE July 30, 1992  
 TO J.D.Roberts, W&S, Bldg. T893B, X6129  
 FROM D.R.Ferrier, Solar Ponds Project Office, Bldg. 750, X6456  
 SUBJECT SOLAR POND WATER MANAGEMENT SP/DRF-154-92

In an orderly fashion, please coordinate with Halliburton-NUS and pump the contents of 207A Pond into the 207B Pond. When the 207A Pond water and sludge has been removed, divert the interceptor trench water into the 207A Pond.

Attached is a copy of the DOE/RFO letter documenting receipt of CDH approval. I will direct Halliburton-NUS to coordinate with you and pump the water.
