Colorado Department of Public Health and Environment  
4300 Cherry Creek Drive South  
Denver, Colorado 80222-1530

Dear Mr. Rehder, Mr. Schieffelin, Ms. Chaki

Enclosed are the Department of Energy's (DOE) response to comments made on the Operable Unit 5, Woman Creek Priority Drainage, RCRA Facilities Investigation/Remedial Investigation (RFI/RI) Report.

Due to the short turn around in completing this action and submitting the final report, DOE requests that comment responses be reviewed and if you are in concurrence, notify us by March 22, 1996. The attached forms should be sent back to us to signify concurrence or additional comments.

The DOE appreciates the efforts of the OU-5 Joint Working Group. If you have any specific questions, please contact Dave George, the DOE Environmental Restoration Progress Assessment Team Leader for this project at 966-5669.

Sincerely,

*Steven W. Slaten*  
Steven W. Slaten
