invites you to comment**

DRAFT OU7 PROJECT ACTION MEMORANDUM

**Collection and Treatment
System for
Operable Unit 7**

The U.S. Department of Energy has released a draft OU7 Project Action Memorandum to collect and treat potentially contaminated liquids that are seeping from the Present Landfill.

The draft project action includes:

- A brief summary of the data for the site;
- An explanation of the project action;
- Waste management considerations;
- Brief explanation of how the project action is consistent with any long-term remedial action objectives; and
- Implementation schedule and completion date for the project action.

A public comment period has been established, extending from October 14, 1994 through November 12, 1994. To provide you with an overall perspective on the project action, information will be available at the October Rocky Flats Monthly Public Information meeting to be held:

**Wednesday, October 19, 1994
7:00 p.m. - 9:00 p.m.
Arvada Center for the Arts and
Humanities**

**6901 Wadsworth Boulevard
Arvada, Colorado**

Throughout the comment period, written comments may be submitted to Beth Brainard, Director of Communications and Economic Development, U.S. Department of Energy Rocky Flats Field Office, P.O. Box 928, Bldg. 117, Golden, CO 80402-0928. Fax (303) 966-3679.

For further information about the draft Project Action Memorandum, please contact Toni Forbes, EG&G Rocky Flats Community Relations (303) 966-6616.
