**RE: Milestone revision for OU 7 Seep Collection and Treatment PAM**

Dear Mr. Slaten:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division (the Division) and the Environmental Protection Agency (EPA) have reviewed DOE's proposal to change a milestone associated with the Seep Collection and Treatment PAM for OU 7. The Division as lead agency approves the deletion of the milestone "Begin Construction" scheduled for May 15, 1995. In its place, the milestone "Submit Revised PAM" scheduled for June 15, 1995 should be inserted.

If you have any questions regarding these matters, please contact Carl Spreng at 692-3358.

Sincerely,

Joe Schieffelin
