RE: Environmental Evaluations within the Production Areas of the Rocky Flats Plant

Dear Mr. Lockhart,

The Colorado Department of Health, Hazardous Materials and Waste Management Division, would like to request that the Risk Assessment Technical Working Group address the appropriate scope of Environmental Evaluations for the Operable Units (OUs) within the production areas of the Rocky Flats Plant. This matter has already become an issue in RFI/RI Workplans for plant-site OUs and the sooner it can be addressed in the Working Group, the better.

If you have any questions regarding these matters, please call Joe Schieffelin of my staff at 331-4421.

Sincerely,

Gary W. Baughman
Unit Leader, Hazardous Waste Facilities
Hazardous Materials and Waste Management Division
