SUBJECT: OPERABLE UNIT 15 ADMINISTRATIVE RECORD – DAB-002-96

Per your direction, I have investigated the need to incorporate Rocky Flats Environmental Database System (RFEDS) information into the Operable Unit (OU) 15 Administrative Record (AR). All pertinent data, including Chain of Custody references, used in determining the Selected Remedy for OU 15 was included in the Final OU 15 RCRA [Resource Conservation and Recovery Act] Facility Investigation/Remedial Investigation (RFI/RI) Report appendices which is already part of the AR. Therefore, the necessary RFEDS information currently exists in the AR and there is no need for further AR entries on this topic.

If you have any questions, please contact me at extension 3721.
