RE: RFLMA Contact Record 2008-06

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (CDPHE) has reviewed RFLMA Contact Record 2008-06, which describes a contingency for untreated water collected in the intercept trench during certain maintenance and repair activities on the Solar Ponds Plume Treatment System.

CDPHE approves this contact record without modification. Please contact me if you have any questions concerning this approval.

Sincerely,

Carl Spreng
RFLMA Project Coordinator
