RE: RFLMA Contact Record 2010-03

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (CDPHE) has reviewed RFLMA Contact Record 2010-03, which proposes non-routine surface water sampling to provide additional temporal and spatial water quality data. Although this surface water monitoring is not required by RFLMA, it conforms to RFLMA protocols and the contact record is approved.

Please contact me if you have any questions concerning this approval.

Sincerely,

Carl Spreng
RFLMA Project Coordinator
