RE: RFLMA Contact Record 2010-06

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment has reviewed RFLMA Contact Record 2010-06, which documents recent monitoring results at SW027 and the consultation that has occurred regarding those results. The actions taken and proposed are appropriate first steps to address the anticipated exceedance at this location. This contact record is therefore approved. Region 8 of the Environmental Protection Agency has also reviewed this contact record and concurs with its approval.

Any further actions beyond those mentioned in this contact record will be proposed in a completion report for approval.

Please let me know if you have any questions regarding this approval.

Sincerely,

Carl Spreng  
RFLMA Project Coordinator
