**RE: Comment Period Extension for Proposed Modifications to Rocky Flats Legacy Management Agreement (RFLMA) dated July 20, 2010**

Dear Mr. King:

Your letter of September 20, 2010 requests an additional 21-day extension of the public comment period on the proposed modifications to the RFLMA. The comment period is hereby extended until October 19, 2010. The RFLMA parties (Environmental Protection Agency, U.S. Department of Energy, and Colorado Department of Public Health and Environment) have consulted and all concur with this extension.

During the current public comment period, the RFLMA parties have met with representatives of the City and County of Broomfield to discuss issues and answer questions, and we anticipate having additional opportunities to meet. In those meetings we have agreed to certain changes to the proposed modifications and have stated that the appropriate method of capturing those changes is in response to your comments.

If you have any questions regarding this extension, please contact one of the RFLMA parties.

Sincerely,

Carl Spreng  
RFLMA Project Coordinator
