RE: RFLMA Contact Record 2012-02

Dear Mr. Surovchak:

The Colorado Department of Public Health and Environment (Department), in coordination with Region 8 of the Environmental Protection Agency (EPA), has reviewed Rocky Flats Legacy Management Agreement (RFLMA) Contact Record 2012-02. This contact record is consistent with the consultation with the Department and EPA, which occurred on October 16, 2012. Improving treatment at the East Trenches Plume Treatment System as proposed in this contact record supports the objectives of the RFLMA. The Department therefore approves Contact Record 2012-02.

Please let me know if you have any questions regarding this approval.

Sincerely,

Carl Spreng  
RFLMA Project Coordinator
