Subject: Environmental Covenant Certification Form 2015

Enclosed is the signed Environmental Covenant Certification Form for 2015. As indicated in my transmittal letter for 2014 certification, the Environmental Covenant dated May 22, 2006, has been superseded by the current Environmental Covenant dated November 14, 2011. The November 14, 2011 Environmental Covenant is filed with the Jefferson County land records, Instrument Number 201112377.

The excerpts of restrictions as shown on the form are not completely consistent with the current Environmental Covenant dated November 14, 2011, therefore, I added the following note to the enclosed form: "For restrictions 1-3 above see current Covenant for complete detail."

Please contact me at (720) 377-9682 or at [scott.surovchak@lm.doe.gov](mailto:scott.surovchak@lm.doe.gov) if you have any questions or require additional information. Please send any correspondence to:
