TRANSMITTAL OF THE FINAL VERSION OF THE ROCKY FLATS PLANT ENVIRONMENTAL RESTORATION PROGRAM SITEWIDE QUALITY ASSURANCE PROJECT PLAN (QAPjP) -- JMK-0152-91

As stipulated by the March 29, 1991 letter from the Environmental Protection Agency (EPA) concerning approval of the final Standard Operating Procedures (SOPs)/QAPjP, enclosed are two copies of the subject document for final approval. A resubmittal was necessary because EPA and CDH made additional comments on the final report delivered March 1, 1991 (IAG milestone). The enclosed version of this plan incorporates, or responds to, the comments which were raised in EPA's letter.

Also, as requested by EPA in the referenced letter, enclosed are two copies of the following documents:

- General Radiochemistry and Routine Analytical Services Protocol (GRRASP), Scope of Work, September 19, 1990, Revision 1.1, and
- Comment/Resolution Summary of EPA/CDH comments.

If you have any questions regarding these documents, please contact Mark Brooks of the Remediation Programs Division at extension 3048.
