ACTION PLAN FOR DECONTAMINATION FACILITY - FINDING #93-WM-00S-891-005-003 - RLB-340-93

Ref: R. L. Benedetti ltr, RLB-326-93, to J. K. Hartman, Handling and Treatment of Environmental Restoration Management Purge Water at the Rocky Flats Plant, June 29, 1993

Tasks A10 and A11 for addressing Finding #93-WM-OOS-891-005-003 both require implementation of modifications to the current groundwater program. The referenced letter was sent on June 29, 1993 requesting DOE concurrence for the change. Until said concurrence is received, Tasks A10 and A11 cannot be completed. Consequently an extension to September 30, 1993 is being requested in order to allow DOE time to respond to the June 29 letter.

If additional information is required or you have questions, please contact Marla Broussard of my staff on extension 8517.
