INTEROFFICE CORRESPONDENCE

DATE: July 22, 1993

TO: A. Deans, Ecology and NEPA Division, Bldg. 080, X8675

FROM: K. D. Anderson, Facility Operations Management, Bldg. 080, X6979

SUBJECT: MODIFICATION TO FINAL HEALTH AND SAFETY PLAN FOR ROCKY FLATS PLANT
ECOLOGICAL MONITORING PROGRAM - KDA-061-93

Your request for modifications to the Final Site-Specific Health and Safety Plan for the Rocky Flats Plant Ecological Monitoring Program has been approved by the Environmental Restoration Health and Safety Officer (ERHSO) and the Industrial Hygiene Health and Safety Liaison Officer (IHHSLO). The revisions are incorporated in the attached Interoffice Correspondence. No other changes may be made to the Plan without approval from the ERHSO and the IHHSLO.

Please attach this approval letter and a copy of the Interoffice Correspondence to the Final Site-Specific Health and Safety Plan for the Rocky Flats Plant Ecological Monitoring Program for reference. If you have any questions regarding this letter, please do not hesitate to call me at the above extension.
