COMMENTS ON THE HUMAN HEALTH RISK ASSESSMENT TEMPLATE - RLB-362-93

Ref: J. K. Hartman ltr (8268) to R. L. Benedetti, Human Health Risk Assessment Template, July 13, 1993

Attached are comments on the Human Health Risk Assessment (HHRA) template. The idea for a template is good; however, it may be premature to develop a template since no HHRA technical memorandum is approved by the Department of Energy, the Environmental Protection Agency and the Colorado Department of Health. EG&G recommends further development work on the template project.

If you have any questions, please contact D. M. Smith of Environmental Engineering & Technology at extension 8636.
