**ROCKY FLATS PLANT
PUBLIC MEETING
October 13, 1993**

The Department of Energy will hold a public meeting on several Rocky Flats issues including the 1993 Transition Status Report, and the the Environmental Restoration and Waste Management Programmatic Environmental Impact Statement (PEIS). The meeting is scheduled:

Wednesday, October 13, 1993
7:00 p.m. - 9:00 p.m.
Denver Marriott West
I-70 at Exit 263
1717 Denver West Boulevard
Golden, Colorado

In response to stakeholder feedback to streamline Rocky Flats meetings, this is the first consolidated public meeting to be held on a monthly basis. The topics of these meetings will vary depending on current issues including the Interagency Agreement (IAG) and the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA).

For further information about the meeting contact Community Relations at (303) 966-4261 or Beth Brainard-Jordan, Public Affairs Officer, U.S. Department of Energy, Rocky Flats Office, (303) 966-5993.

Please join us and tell us what you think.
