TRANSMITTAL OF ENVIRONMENTAL EVALUATION SAMPLING AND ANALYSIS PLAN (SAP) -
MSB-014-93

Attached are four (4) copies of the SAP for distribution to the Environmental Protection Agency and the Colorado Department of Health. Although this is not a required deliverable, and approval is not requested, the intent is to provide the agencies with pertinent information as the Remedial Investigation proceeds.

If there are any comments on the SAP, please contact Pete Laurin of my staff at extension 8702.

M. S. Buddy
Acting Director
ERM/Remediation Project Management
