Gentlemen

Enclosed for CDH and EPA review and concurrence is the draft "Rocky Flats Plant Interim Community Relations Plan " This document formalizes community relations activities for environmental restoration under the Interagency Agreement (IAG) until development and implementation of the final Community Relations Plan (CRP) While the interim CRP is not an IAG-required document, it is promised to the public in the draft responsiveness summary for the IAG public comments

In the interest of expediting implementation, it is not our intent to offer the interim CRP for formal public review and comment However, following your concurrence we will invite comment from local governments, the Rocky Flats Environmental Monitoring Council and the Rocky Flats Cleanup Commission While there is no schedule associated with this document, we would like to implement the interim CRP by September 1, 1990

If you have any questions, please contact Ms Beth Brainard of this office at 966-5993

Sincerely,

Robert M Nelson, Jr
Manager
