## ROCKY FLATS PLANT

### PUBLIC COMMENT PERIOD

#### Draft Final Groundwater Protection and Monitoring Program Plan

The U S Department of Energy Rocky Flats Office has developed a Groundwater Protection and Monitoring Program Plan. The primary objective of this plan is to assess the impact of a facility or site on the groundwater beneath it. The document summarizes the hydrogeology of the site, major aquifers, movement of groundwater, potential sources of groundwater pollution, and uses of groundwater at the site.

A 60-day comment period of the plan begins Thursday, June 20, 1991 and ends Tuesday, August 20, 1991. Copies of the Rocky Flats Groundwater Protection and Monitoring Program Plan are available for review at the following reading rooms.

U S Environmental  
Protection Agency  
Superfund Records Center  
999 18th Street, 5th floor
