

Can Cleanup of the Rocky Flats Plant be done better, faster & more cost- effective?

Join the U.S. Department of Energy, the U.S. Environmental Protection Agency and the Colorado Department of Health for a discussion of the re-evaluation of the Interagency Agreement, the blueprint that guides environmental clean-up of the Rocky Flats site.

The three agencies to this agreement have drafted 22 Consolidated Interagency Agreement (IAG) Review Principles and invite you to provide comments. This information and comment meeting will be held in conjunction with the RCRA Permit Modification Request 10.

Wednesday, February 2, 1994
7 00 p.m. - 9 30 p.m.
Ramada Hotel
8773 Yates Drive
Westminster, Colorado

During this meeting, representatives from all three agencies will be available to explain and answer any questions and to accept comments regarding the Interagency Agreement and the Draft Principles.

Comments are being accepted now until February 9, 1994, and may be sent to Beth Brainard Jordan, Public Affairs Officer, U.S. Department of Energy, (303) 966-5993.

For more information about the Interagency Agreement Review process and the Draft Principles, please contact:
