Gentlemen:

Enclosed please find two copies each of the Groundwater Protection and Monitoring Program Plan (GPMPP) for the Rocky Flats Plant, for your review and comment.

DOE believes that the document needs improvements and has arranged for a revision to be delivered to DOE by EG&G on November 27, 1992. However, the plan will be in place while these revisions are being made.

If you have any questions or comments, please contact Jen Pepe of my staff at 966-2184. Additional copies of the document can be provided if necessary.

Sincerely,

James K. Hartman
Acting Assistant Manager
for Environmental Management
