Tree and Shrub Planting

Tim G. Hedahl, Associate General Manager  
Environmental and Waste Management  
EG&G Rocky Flats, Inc.

DOE/RFO has received EG&G's request, (92-RF-14271), to initiate tree and shrub planting in the Rocky Flats buffer zone, working with the Colorado State Forest Service (CSFS) to develop planting plans and procedures. DOE/RFO approves your request and hereby directs EG&G to proceed with necessary activities to initiate tree and shrub planting, and to begin actual planting when arrangements with the CSFS are finalized and it is prudent to begin planting. DOE/RFO also requests that three copies of the planting plan be submitted for our reference once this document is prepared.

Any questions regarding this memorandum should be referred to Rich Schassburger of my staff at 966-4888.
