Dear Mr. Karol:

This letter is to inform you that the Colorado Department of Health (CDH) Air Pollution Control Division (APCD) has completed all of the inspections of the Rocky Flats Plant facilities for the Federal Fiscal Year (FFY) of 1992-93. Copies of the inspection reports have been furnished to your staff for your review. I am happy to report that no violations of the Colorado Air Quality Control Commission's Regulations nor emission permits were observed during the past year.

These inspections are an ongoing process and I have drafted a schedule for the FFY '93-94. A meeting with John Dion of your staff and Mike Putney of EG&G will be scheduled to finalize the list and set the dates for the inspections.

We have enjoyed a cooperative effort over the past year and expect the relationship to continue in the future.

Should you have any questions regarding this matter, please contact me at (303)692-3251.

Sincerely yours,

Richard D. Fox
