Gentlemen:

The Department of Energy (DOE), Albuquerque Operations Office (AL) has accepted the enclosed referenced funding document subject to the terms and conditions described herein. Funds have been certified as available for placement under Contract DE-AC04-90DP62349 with the above DOE contractor for performance of the referenced project as reimbursable work on a noninterference basis with DOE funded programs. By copy of this letter, performance of work by the DOE contractor is authorized since a valid budgetary resource has been reflected in the current contract modification or will be reflected in the next scheduled contract modification for the applicable DOE integrated contractor.

The referenced project shall be performed under the aforementioned operating contract; the U.S. Economy Act of 1932, as amended; and in accordance with other applicable laws and regulations. Actual costs will be billed from DOE monthly. Should additional funding be required to complete the project, you will be notified as to the amount and date additional funds are needed. If you have any questions or need additional information, please call the above DOE contact and reference letter WFOTD:RG3-240.

Sincerely,

George P. Thompson Jr.
