• **Page 2, DEFINITIONS**

- **Habitat** - Consider removing the extra period at the end of the last sentence in the definition

- **Penalties** - In the last sentence of the definition, the period in the stated amount "\$500 000" should be changed to a comma so the amount appears as follows, "\$500,000"

• **Page 5, ¶3:** In the second sentence, consider adding a comma after the word, "perches" so the phrase will read, "This includes preserving the integrity of prey sources, *perches*, retreat and loafing areas, "
