Gentlemen:

To assist in supporting EG&G's attempt to make the Administrative Record File complete, DOE is requesting that EPA and CDH provide copies of documents currently not in the Administrative Record that should be included therein. If EPA and CDH do not have staff to accomplish this task, EG&G will provide trained personnel to capture and copy documents for inclusion in RFP's Administrative Record file. This task will be performed at the date and time that is most convenient specified by your agencies.

Any questions should be referred to Richard J. Schassburger of my staff at 966-4888.

Sincerely,

A handwritten signature in cursive script, appearing to read "Martin McBride (for)".
