COPY OF SITEWIDE WASTEWATER TREATMENT STRATEGY FOR THE ROCKY FLATS
ENVIRONMENTAL TECHNOLOGY SITE - JKH-006-96

BARTHEL, J X

Dear Mr. Skriba:

Per your request and the Department of Energy's (DOE) request, I am forwarding a copy of the Sitewide Wastewater Treatment Strategy that was developed for the Rocky Flats Environmental Technology Site in September, 1995. Although the headers on the pages say draft, DOE, RFFO accepted the draft report as the final report.

Because you were also interested in the methods used to inventory wastewater streams, I have also attached a copy of Volume 1 of the Appendices covering the development of our basis of estimate for present and future flows from groundwater, surface water, sanitary wastewater, deactivation and decommissioning activities.

Please advise if you have any additional questions.

Very Truly Yours,

Dr. John K. Hopkins
Technical Lead
