Action: Return enclosed Operable Unit (OU) Manager Review List by February 15, 1996.

Dear Jamie,

Enclosed is the OU 1, OU 3, OU 5, OU 6, OU 7, OU 8, OU 9, OU 10, OU 12, OU 13, OU 14, and SW OU Manager Review List packets for the Administrative Record (AR) files. Upon receipt, we will forward directly to you. Each review list includes those documents selected for potential inclusion into the AR file. The OU managers for RMRS, have reviewed this list and their opinions appear in the appropriate column. Some RMRS OU managers have given the AR staff documents to add to this review list which they feel are pertinent to the AR files. Notations appear in the Title section so you will know which documents have been added to the review list. If the Department of Energy, Rocky Flats Field Office, (DOE, RFFO), has additional documents that need to be included in the AR file, please return a copy of the document(s) in the review list packet for processing.

Please evaluate every document listed to determine the appropriateness of these documents for inclusion into the AR file. Indicate your selection of AR documents by checking the appropriate **yes** or **no** boxes in the column to the right of the list. Absence of remarks next to the entry or in the comment section acknowledges acceptance of all listed documents for placement into the AR file. Upon the completion of your review, please sign and date the review list cover letter. Once approved by the DOE, RFFO the selected documents will be added to the AR files, indexed, and microfilmed for distribution to the public repositories.

When you complete your review of the OU Manager Review List, please call E. R. (Betty) Wallace extension 8710 to arrange pick up of the packet and any attached documents. If you have any questions or comments feel free to call Betty Wallace or Laura Tyler on extension 6936.
