Subject: draft N&E Groundwater Contamination Summary Report

A hardcopy of the draft Nature and Extent of Groundwater Contamination Summary Report was hand delivered to DOE (2), EPA (2), CDPHE (2) and the FWS (2) today. The Analyte of Interest screening process is consistent with the screening process used in the Groundwater IM/IRA. Please provide comments by June 16, 2005.

Note: Table 5 will be removed from the text section and placed with the table section.

Thanks! LMB
