

Rocky Flats Citizens Advisory Board Recommendation 97-4

to the U.S. Department of Energy,
the U.S. Environmental Protection Agency,
and the Colorado Department of Public Health and Environment

Recommendation Regarding the Public Comment Period for the T1 Trench Proposed Action Memorandum

Approved June 5, 1997

The Citizens Advisory Board requests that the Department of Energy, the Environmental Protection Agency, and the Colorado Department of Public Health and Environment lengthen the public comment period for the Trench T1 Proposed Action Memorandum to 45 days to allow sufficient time for review and development of comments and recommendations on this critical and challenging environmental remediation project.

The Rocky Flats Citizens Advisory Board is a community advisory group that reviews and provides recommendations on cleanup plans for Rocky Flats, a former nuclear weapons plant outside of Denver, Colorado.
