COPY NO. 16

ATOMIC ENERGY COMMISSION

SITE SELECTION - MONSANTO UNIT VI

Note by the Secretary

1. The attached document was prepared by the Director of Production and is submitted by the General Manager for the consideration of the Commission during the week of January 19, 1948.

2. A document of this same title, which included a recommendation for the Jefferson Proving Ground as the site, was approved by the Commission on November 14, 1947 and the letter to the Chief of Engineers, attached as Appendix "A" to that document, was sent November 20, 1947.

3. On December 11 at a meeting between the representatives of the Division of Production and the Chief of Ordnance it was determined that the Jefferson Proving Ground was not available.

4. The recommendation in the attached document is the result of further investigation of other suitable sites.
